Maximum amount of member voluntary contributions (after-tax)

The Government has imposed an annual cap on voluntary contributions of \$150,000, or \$450,000 per three-year period for members aged under 65. If your voluntary contributions exceed the cap in any one year, we will generally accept them, but the Tax Office will levy tax on the excess amount over the cap at the highest marginal rate (plus Medicare levy). We are not permitted to accept any one contribution exceeding the cap.

If you are over 65 at the time of making the contribution we are not permitted to accept voluntary contributions above \$150,000 in any financial year. Any amount above the cap will be returned to you.

If you are over 75 you are not permitted to contribute to your super fund but your benefit can remain in the fund.
